

TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE

**FISCAL NOTE**

**SB 321**

April 5, 2017

**SUMMARY OF BILL:** Requires the Office of Legislative Information Systems (LIS) to provide members and staff of the General Assembly with access to a multi-functional website, referred to as “dashboard”, which updates in real time for the purpose of monitoring and tracking proposed legislation, and allows members and staff to access other related information such as amendments, fiscal notes, committee calendars, and member information.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumptions:

- The web-based system referred to as “dashboard” is a legislative system currently available from LIS.
- Any increase in state expenditures for LIS to install the dashboard system onto state computers used by either members of the General Assembly or by legislative staff is estimated to be not significant and can be accomplished without an additional appropriation.
